It gives me immense pleasure to know that the primary section of this Vidyalaya is bringing out the News Letter for the session 2023-24.

News Letter is obviously the most befitting platform which provides wonderful opportunity to the tiny-tots to showcase their latent talents. Further, it is also a mini mirror of the scholastic and co-scholastic achievements of our primary students.

At this outset, I congratulate the Editorial Board, all the members of staff and students of primary section who have contributed to bring out this issue of the News Letter.

**Mr. Suman Kumar

The Common Minimum Programme adopted by K.V.S is a guiding force which aims at bringing up all-round development of Tiny-tots of primary classes. The News Letter is an opportunity suggested under C.M.P provides the platform to showcase the creative skills of our children and reflects all scholastic and co-scholastic achievements of children of primary section.
